Terms and Conditions

I (the Applicant above) request that Citibank U.S.A., N.A. ("Diners Club") consider my application for a Diners Club Corporate Card. By signing below, I certify that I have read the application and agree to its terms. I agree to be bound by the terms of the Diners Club Cardmember Account Agreement ("Agreement") that will be sent with the card. The Agreement will bind me unless I cancel my Account within 30 days after receiving my card and I have not used or authorized use of my Account. Diners Club may change the Agreement at any time in accordance with its terms.

I authorize Diners Club to gather information about me from my Organization, credit bureaus and others to verify my identity and eligibility for the Account. If I ask, Diners Club will tell me whether it requested a credit bureau report and the names and addresses of any applicable credit bureau. I authorize Diners Club to transfer information about my application or Account to Diners Club International, its franchises and affiliates, my Organization, and its affiliates.

I will use my Diners Club Corporate Card only for my Organization's business purposes. To receive a Diners Club Corporate Card, I must meet Diners Club's qualification criteria. Diners Club reserves the right to impose charge limits and will inform me in a separate letter if a charge limit applies. Federal law requires Diners Club to obtain, verify, and record information that identifies each person who opens an account, in order to help the government fight the funding of terrorism and money laundering activities. To process the application, Diners Club must have my name, street address, date of birth and other identifying information, and Diners Club may ask for identifying documents from me as well.
